

Name: _____ Date: _____

Draw the missing dot cards.

Example

Two dot cards are shown with a less-than sign (<) between them. The first card has two tens blocks (circles with '10') on the left and three blue dots on the right. The second card has four tens blocks on the left and one blue dot on the right.

1

Two dot cards are shown with a less-than sign (<) between them. The first card has six tens blocks on the left and four blue dots on the right. The second card is blank.

2

Two dot cards are shown with a greater-than sign (>) between them. The first card has six tens blocks on the left and one blue dot on the right. The second card is blank.

3

Two dot cards are shown with a less-than sign (<) between them. The first card has four tens blocks on the left and seven blue dots on the right. The second card is blank.

Name: _____

Date: _____

Manipulatives and Symbols

Draw a dot and number to match.

1

A vertical number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 10 small tick marks between each major tick mark. A green dot is placed on the first small tick mark after the 30 mark, which is labeled 31.

< 75

2

A vertical number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 10 small tick marks between each major tick mark. A green dot is placed on the fourth small tick mark after the 20 mark, which is labeled 24.

< 67

3

A vertical number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 10 small tick marks between each major tick mark. A green dot is placed on the second small tick mark after the 90 mark, which is labeled 92.
